- Care Management Advice and Family Dispute Resolution
- Home Care, Medical Care and Hospice Care
- Elder Law, Estate Plans and Trust Management
- Asset Protection, Income and Tax Planning
- Paying Costs, Veteran's Benefits and Insurance
- Facilities, Community and Relocation Services

The National Care Planning Council

The National Care Planning Council is a nonprofit alliance of individuals and companies dedicated to helping the public deal with elder care and long term care issues.

Each geographical area in the country has specialists who provide eldercare planning. Working together they can help build strong foundations, care plans, income, and more to ensure that you and your loved ones can be properly taken care of.

The National Care Planning Council is a nonprofit corporation.

“Assisting you with ALL of your elder care needs.”
